

# Swiss Club of Imperial Valley

January 2019

I'm honored and consider it a privilege to serve as president of the Swiss Club, and to continue to serve the community and preserve our Swiss heritage. I want to thank Justin Stacey for serving and doing a fantastic job as president for the last two years. I also want to congratulate and thank the new board and I look forward to serving along-side them.

On the reverse of this newsletter is a list of the board members and their contact information along with our calendar of events. The members at the general meeting voted to increase the "Friends of the Club" membership to \$25.00; general membership dues to \$100.00 per person, beginning January 1, 2019 and the lifetime membership to \$750.00 beginning February 1, 2019 which will increase to \$1000.00 on January 1, 2020. These increases will help to offset the rising costs to fund the new projects and improvements that are needed.

I want to thank all those who are filling in as we continue to search for a caretaker. I want to thank our crew for continuing the Thursday Night Football dinners. Plan on attending and supporting our Family Super Bowl Party on February 3<sup>rd</sup>.

We welcome all of you to come enjoy and support your Swiss Club.

Alle für Eine und Eine für alle,

*Ben Abatti, Jr.*

Ben Abatti, Jr.  
President
